

14 Street S.W. Reconstruction project (Anderson Road to Canyon Meadows Drive)

Temporary full closure

To accommodate roadway reconstruction, utilities installation and work adjacent to the Canyon Meadows Golf and Country Club, a **full eight-week closure will be required** as follows:

- **Starting on Tuesday, April 30, 2024 for approximately eight weeks: FULL CLOSURE** of all traffic lanes on 14 Street S.W., from Anderson Road S.W. to Canyon Meadows Drive S.W.*

Please note concrete repair work will also start on Canyon Meadows Drive S.W. eastbound lanes (between 14 Street S.W. and Macleod Trail), including localized improvements at Canterbury Drive S.W. and 6 Street S.W. intersection. This work is scheduled to begin by the end of April 2024 and will continue until early summer 2024. Final paving and resurfacing work is scheduled in early fall 2024.

Work will adhere to City of Calgary Noise Bylaw restrictions and all efforts will be made to limit noise impacts to the best of our ability. Crews will also work to keep dust and vibration to a minimum during construction.

Not all noise, dust or vibration will be able to be mitigated and we apologize in advance for any inconvenience this may cause.

Will local access to adjacent communities and the Canyon Meadows Golf and Country Club remain open during construction?

Yes – Access to the Canyon Meadows and Canyon Creek communities, as well as the golf course, will be maintained via detour routes.

What detour routes will be in place?

A detour route will be set up along Elbow Drive S.W. Construction and detour signage will be posted on-site to help direct traffic. Localized lane closures on Canyon Meadows Drive S.W. will be required to complete the work.

The Canyon Creek community entrance at Canso Crescent S.W. will remain open, accessible by westbound Canyon Meadows Drive S.W. Access to the golf course will also remain open via Canyon Meadows Drive S.W.

Where can I get more information on upcoming construction and detours?

Construction signage will be posted near work zones in the project area. For additional information, or to sign up for email newsletter updates, visit calgary.ca/14StreetSW. Information on future closures and project work will be posted on the webpage as it is confirmed.

If you have any questions not answered on the webpage, please reach out to the project team at 14StreetSW@calgary.ca

**Construction activities are dependent on several factors. Timelines could change due to inclement weather, underground conditions and/or other unexpected circumstances.*
