

Good morning,

I'm reaching out to provide an update on the 14 St. SW Reconstruction project.

Our contractor plans to continue construction this weekend (June 1-2) starting at 7 a.m. In order to maintain our project schedule, we need to make up for the weather delays of the past two weeks. There will be no changes to the detour routes or area access.

Thank you for your understanding and patience while we are reconstructing 14 St. SW to make it a safer roadway for all.

If you have any questions or need more information, please reach out to us on the [project webpage](#) or email us at 14StreetSW@calgary.ca.

Thank you.

Regards,
Adrian
